

7 Great Uses of Capstar

- 1) Diagnose FAD in cats: Capstar qod for 30 days gives you a yes or no answer regardless of the adulticide use.
- 2) Speed resolution of FAD in dogs: qod for 30 days greatly reduces the symptoms!
- 3) Prevent hitchhike fleas that infest homes and clinics
- 4) Treats owner "Fleanial": give Capstar and let the pet and owner sit in the exam room, they can count the fleas falling off.
- 5) Kill fleas jumping into your surgical site - rectally does the trick
- 6) Prevent transmission of resistant fleas from Florida, Texas, Georgia, etc (any traveling pet should use protection).
- 7) Kills maggots.
